

MIRACOR - COOKIES POLICY

What is a cookie ?

A cookie is a small text file that can be stored on your computer when you visit websites.

Information is saved in this text file, such as your choice of language on a website. When you visit the website later again, this cookie returns to the concerned website. In this way, the website recognizes your browser and can for example retain your choice of language. Cookies usually also have an expiration date. For example, some cookies are automatically deleted when you close your browser (so-called session cookies), while others can be stored longer on your computer, sometimes until you delete them manually (so-called permanent cookies).

Why do we use cookies ?

MIRACOR, administrator of this website, uses 3 types of cookies on www.miracormedical.com.

1. Cookies for necessary purposes;
2. Cookies for functional purposes ;
3. Cookies for analytical purposes.

MIRACOR uses Google Analytics for analytical purposes. This analytical tool installs cookies that we use in order to quantify the visits (traffic) on the website. This allows us to know how many times a particular page has been consulted. We use this information only to improve the content of our website or as a basis for a new campaign by determining certain topics of great interest. The use of these cookies for analytical purposes is subject to your prior consent. Thus, you can refuse the installation of these cookies on your device.

List of necessary cookies
